The diversity & inclusion coordinator position has been a part of the City of Appleton staff since 1997. This public panel discussion, moderated by D&I Extraordinaire, Dr. Shelton Goode, will look at the work accomplished by the position in its first 20 years, as well as the work that lies ahead!

Come out to meet the six men and women who have held the position, as well as our current diversity & inclusion coordinator. The town hall style event will share our past successes, outline today's challenges, and candidly discuss why diversity and inclusion is the strength of the City of Appleton.
